DOCTORS BAG/HOTEL ROOM DELIVERIES

How to participate in the Doctors Bag and Hotel Room Deliveries

1. Reserve space in the Doctors Bag/Hotel Room Deliveries on or before the space deadline.
2. Supply a prototype of your insert for approval by AUA. Inserts may not weigh more than 2 oz. A copy of the insert must be pre-approved by AUA regardless of prior approval for other promotional opportunities at the meeting. Early submission is to your benefit. Submit a PDF of your prototype via email to Aimee Preator at apreator@ascendmedia.com
3. If changes are necessary, a copy of the revised insert must be resubmitted. Ascend Media will notify you of final approval.
4. Ship inserts to be received by the materials deadline. Ascend Media will supply a shipping label with complete shipping information. The advertiser is asked to complete the supplied shipping label and place it on the outside of each box that is shipped. Please do not ship the full quantity to Ascend Media office, or you may incur additional costs.

The advertiser is responsible for sending the correct number of inserts. If materials are received by the printed deadline, Ascend Media will attempt to verify quantities received and notify advertisers of shortages.

5. An Industry Highlights channel will be published on AUA Daily News Online, which will include a schedule of Industry Programs. All AUA Doctors Bag supporters will have an "article" related to their insert within this channel labeled paid advertising content. A link to the Industry Highlights page will be included in each day's AUA Daily eNews. See page 8 for specifications.

Doctors Bags: Important notes

- All advertising is subject to the approval of AUA.
- A minimum \$500 late fee will be charged for materials received after the deadline.
- Payment on ad space is due at space deadline. All prices are net.
- All signed agreements are firm. Cancellations are nonrefundable.
- No agency commission or cash discounts accepted.
- All quantities are based on projected attendance and room blocks at the time the rate card is printed.
- Additional costs will be incurred if advertiser fails to comply with shipping instructions or to fully complete shipping label provided for Doctors Bag Inserts.
- An insert is considered one 8.5" x 11" printed piece, maximum weight of 2 oz. Insert should be flat with no protruding items attached. Any insert that does not fit these specifications will be considered a "bulk item" and is subject to an additional fee. A bulk item may be described as any item that does not fit the aforementioned specifications but cannot exceed 4 oz. This includes, but is not limited to, items such as: product samples; pens; notepads; non-perishable food items; branded materials such as lanyards, water bottles or other giveaway items; printed materials that are packaged or of odd shapes and sizes; printed materials containing loose sheets and/or disclaimers; printed materials with promotional items attached; magazines, brochures or other multiple-page collateral pieces. "Bulk item" is defined at the discretion of the publisher.
- If more than one item is planned for the Doctors Bag (i.e. a postcard and sample), the item must be sealed and presented for delivery as one item. The 4-oz weight is for the combined packaged item. Doctors Bag items submitted for inclusion that contain more than one item will be reviewed and assessed by both client and the Publisher to determine if additional costs will apply.
- Restrictions: Due to their weight and bulk, magazines, newspapers and other publications will not be permitted to be distributed through the Doctors Bag. Prices are based on an 8.5" x 11" paper insert. Bulk items will be assessed an additional fee based on weight and dimensions; please contact your account manager for more information. Ad materials subject to AUA approval. See mechanical specifications for more information.
- A minimum of six inserts from any combination of advertisers must be reserved for a Doctors Bag to be delivered on a particular day.
