ISC22 includes both in-person and virtual programming and events. If the in-person portion of the meeting must be canceled, all marketing from the physical assets of the meeting will be seamlessly transitioned to the virtual environment as outlined herein. Advertisers preparing materials specific to a booth or program are encouraged to prepare secondary general branding materials in case the meeting converts to virtual only.

All rates are net. No agency discounts apply. Cancellations are non-refundable.
All quantities are based on projected attendance and room blocks.
Ascend Media encourages (and practices) environmentally friendly printing, including recycled/recyclable paper and plant-based inks.

Your sponsorship and advertising dollars count toward exhibiting priority points.
Ask your Account Manager for details.
