The Vascular Discovery 2022: From Genes to Medicine meeting is planned as an in-person meeting in Seattle. If the meeting must be canceled or converted to virtual, AHA/ASA will transition advertisers and sponsors to options of equal value and exposure. Advertisers and sponsors preparing materials specific to a booth or program are encouraged to prepare secondary general branding materials in case the meeting converts to virtual only.

All rates are net. No agency discounts apply. Cancellations are non-refundable.
 All quantities are based on projected attendance and room blocks.
 Ascend Media encourages (and practices) environmentally friendly printing, including recycled/recyclable paper and plant-based inks.
